

Today In God's Word

TODAY IN GOD'S WORD is a devotional guide of the Bible which journeys through the events of Scripture in chronological order. The readings proceed sequentially through history and where parallel passages exist the cross references are listed. An outline accompanies the daily readings which highlights people, places, events and topics.

TODAY IN GOD'S WORD is for those desiring consistency in their Bible reading balanced with an unhurried pace. The schedule's daily readings offer regularity over the "read at your own rate" method of devotions and its three one-year sections provide a less rushed pace than a "Bible in one-year" plan.

Year 1 The Old Testament

Year 2 The Life of Christ in the Gospels

Year 3 The Church in Acts, the Epistles and Revelation

My hope and prayer is that this schedule and historical outline will prove to be a versatile tool and a sensible means for your regular daily devotions.
